

Entertainment One Shareholders Vote to Approve Acquisition by Hasbro

October 17, 2019

PAWTUCKET, R.I.--(BUSINESS WIRE)--Oct. 17, 2019-- Hasbro, Inc. (NASDAQ: HAS) today announced that Entertainment One Ltd. (LSE: ETO) (eOne) shareholders have voted to approve the proposal for Hasbro to acquire eOne in an all-cash transaction valued at approximately £3.3 billion or US\$4.0 billion, pursuant to the definitive arrangement agreement between the parties.

More than 99.9% of the votes cast at the eOne special meeting of shareholders held earlier today voted in favor of the transaction.

"We're pleased that eOne shareholders support this transaction," said Brian Goldner, chairman and chief executive officer of Hasbro. "Our two companies' strategies are remarkably complementary, as we both build brands, creativity and storytelling. Together with eOne's beloved global brands and expertise, we expect to leverage a combined portfolio with appeal to diverse audiences and consumers around the world."

"In our commitment to unlocking the power and value of creativity, the combination of our two businesses makes perfect sense for eOne," said Darren Throop, chief executive officer of eOne. "eOne has long been anchored by great IP, and we believe that with Hasbro's world-class portfolio of brands we will be able to deliver on their brand blueprint with a slate of content that lives globally across a broad spectrum of media. We are very much looking forward to capitalizing on the new opportunities this creates across film, television, music and family brands."

The transaction, which is structured as a statutory plan of arrangement under the Canada Business Corporations Act, remains subject to receipt of certain regulatory approvals and other customary closing conditions including a final order of the Ontario Superior Court of Justice. The transaction has received several regulatory approvals so far, including early termination of the waiting period under the Hart Scott Rodino Antitrust Improvements Act in the U.S. and antitrust approval in Germany. The transaction is expected to close during the fourth quarter of 2019.
